

DASbusiness

Legal Expense Insurance for your business

YOUR ACCESS TO JUSTICE

Access to justice and peace of mind

Whether they are related to employment, suppliers, providers, clients, contractors, or a tax audit, legal issues can have a significant impact on your business's operations. This can be stressful, disruptive, and expensive.

With a DASbusiness policy, your legal costs are covered when your business is facing an insured legal issue. It empowers you to defend or pursue your rights in court and take back control of your business without endangering your finances.

DASbusiness fills the gaps in your current commercial insurance portfolio and:

- Protects your business from costly legal expenses
- Allows you to pursue and defend your legal rights
- Gives you access to legal advice at any time
